In Collaboration With SAM

**FTSE4Good**

**etui.**

# Objectives of workshop

- Sustainability: the fundamentals
- Working conditions and sustainability
- What role should workers play in sustainability:
  - In the company?
  - At the national / international level?
- A workers' agenda for sustainability?

# Today's Programme

- **Session 1: How does company sustainability reporting work?**
- **Session 2: How can framework agreements improve working conditions?**
- **Session 3: How does a rating agency analyse working conditions in retail?**
- **Session 4: How can we make sustainability more relevant for workers?**
